

PATIENT INFORMATION & FINANCIAL POLICY**CO-PAYMENTS, DEDUCTIBLES, AND FEES:**

- All co-payments, insurance deductibles, and fees for rendered services that are not covered by insurance are due at the time of service.
- We accept cash, personal checks, and all major credit cards (ex. VISA, MasterCard, etc.). Payments can also be accepted by phone and mail.

INSURANCE:

- Your insurance policy is a contract between you and your insurance company; Virtual Consult MD is not a part of this contract agreement. **It is your responsibility to know and understand the provisions, limits and requirements of your individual benefit plan(s).**
- As a professional courtesy, our office will file your insurance claim for you; however, we cannot guarantee benefits or payments. If your insurance carrier denies payment for rendered services, **you remain 100% financially responsible for payment of rendered services by our office**, regardless of any insurance company determination, quote, or misquote, except where prohibited by law or prior contractual agreement.
- **We must have accurate billing information at each visit** in order to process claims through your insurance carrier. **Please bring your current insurance card to each visit** and notify our office staff of any changes to your insurance coverage prior to the start of service. **If you fail to provide accurate information required to process your claim, you will be held responsible for any subsequent charges.**

BILLING STATEMENTS:

- The balance on your statement is due and payable upon receipt, and is past due if not paid within thirty (30) days. **Payments can be made in person, by phone, or by mail.**
- If the balance is not paid in full or other arrangements are not made with our office, then a \$10.00 processing fee will be applied to each additional statement.

PAST DUE ACCOUNTS:

- If your account balance is overdue by sixty (60) days or more, with no attempt to set up a payment plan; all future appointments will be cancelled and you will not be given the opportunity to make an appointment until the outstanding balance has been paid.
- If your account is past due beyond ninety (90) days, it will be sent to a collection agency. You will be responsible for all fees incurred from the collection agency and/or attorney fees.
- Financial non-compliance may result in termination from the practice.

RETURNED CHECKS:

- **There is a \$30.00 charge for checks returned for insufficient funds** and may require future payments to be paid in cash, credit, or money order.

BILLING QUESTIONS & CONCERNS:

- Virtual Consult MD has contracted with a third party billing agency, for billing and collection services. Should you have any billing questions and concerns, please contact our office at (812) 848-2322.

MEDICAL RECORDS, FORMS & LETTERS:

- **There is a \$20.00 fee for medical records up to ten (10) pages in length.** Additional pages will be charged 50¢ per page thereafter. The fee must be paid prior to release of the medical records.
- **There is a minimum fee of \$20.00 for the completion of forms or letters.** Additional charges may be applied on the nature and complexity of the form or letter. The minimum fee must be paid in order for the provider or their designees to begin the form or letter.
- We require **7-10 Business days** to process a request for medical records or to complete forms or letters. There is a \$10.00 fee for "rush" requests, which must be paid at the time of said request.

PRESCRIPTIONS & PRESCRIPTION REFILLS:

- **Medication refills require a 72-hour notice.** We do not consider medication refills as an “emergency.” Therefore, if you run out of medication over the weekend/holiday or forget to call for a medication refill, it will have to wait until the office reopens.
- We will not refill prescriptions for any patient who has not had adequate follow-up visits or who has not been seen at our office in the last three (3) months.
- You are responsible for all medications prescribed to you. **If your prescription is lost, misplaced, stolen, or run out early, please understand it may not be replaced.**

CANCELATION & NO SHOW POLICY:

- We strive to provide excellent medical care to you, your family and all of our patients. “No-shows” and “late cancellations” inconvenience those individuals who need access to medical care in a timely manner. In an effort to reduce such occurrences, **we request you give our office a 24 to 48-hour notice in the event you need to cancel and/or reschedule your appointment.**
- If you miss an appointment and have not contacted our office, this will be considered as a **“No Show.”** If an appointment is canceled within 24-hours of your scheduled appointment, this will be considered as a **“Late Cancellation.” You will be charged \$60.00.** This fee will not be covered by your insurance company and must be paid prior to rescheduling your appointment. **Medicaid patients cannot be charged this fee, but can be dismissed from the office, after missing an appointment.**
- If you are more than ten (10) minutes late for an appointment, our office cannot guarantee that you will be seen and we have the right to reschedule your appointment.
- As a professional courtesy, our office makes reminder calls and/or texts for all appointment types, but it may not always be guaranteed. **It is ultimately the patient’s responsibility to remember their scheduled appointments.**

DISMISSAL FROM THE PRACTICE:

- If you are “dismissed” or “terminated” from the practice, it means you can no longer schedule appointments; received medication refills, or consider Virtual Consult MD to be your healthcare provider. You will be required to find another practice for your medical services/needs.

Common Reasons for Dismissal include, but not limited to:

- *Failure to keep appointments, frequent cancellations and/or no-shows.*
 - *Non-compliance or failure to follow office instructions and/or policies.*
 - *Abusive behavior to office staff and/or other individuals within the office.*
 - *Failure to pay your medical bills.*
- If you are “dismissed” or “terminated” from the practice, we will send a formal written notification letter via certified mail to your last known address. We will send a copy of your medical records to your new healthcare provider as per your request; in accordance to our office medical record release policy.
